Show Rules

1. The course designer will be available to talk to all competitors before the puddle jumper division to explain any problems that have been set in the course. All riders are encouraged to walk the courses prior to the start of each class.
2. U.S.A.E. table II (penalties) is posted near the secretary's desk. Riders who are tied for first place after each class will participate in timed jump-off (table II, section 2A). Riders with clean rounds in other classes are to remain in the ring after their round. After a signal from the judge, the rider will ride the jump-off course immediately (table II, section 2B). All warm-ups - time first round.
3. Hard hats are required at all times while mounted. Juniors must wear approved (U.S.A.E. or U.S.P.C.) safety helmets with harness fastened.
4. **Entries for each class will close when the course walk for that class begins.** The jumping order will be determined by draw and will be prepared and posted during the course walk before each class. Anyone riding more than one horse that needs to change horse's order of go must see the announcer before the class begins. Otherwise, failure to jump in the designated order will result in elimination.
5. The protocol for showing jumpers is different than for showing hunters. Riders who are not familiar with the protocol are encouraged to speak with the show secretary before the start of the show.
6. A current negative Coggins (taken within 12 months) must be shown before a number will be issued.
7. The show will be run with U.S.A.E. rules as guidelines.
8. After the course has been set the day before the competition, the ring is closed for schooling.
9. Frying Pan Park, Fairfax County Park Authority, Frying Pan Park Youth Center Supervisory Board, their employees and volunteers will not be responsible for any accident, injury or loss occurring during the shows. Exhibitors enter the show under this condition.
10. There will be six ribbons in all classes. Championships will be awarded in appropriate divisions.
11. Horses and ponies may cross enter where eligible.

12. No horse, whether judged or unjudged, may enter in more than 8 classes **in any show**.
13. Entries showing unjudged will be limited to the end of the class. Unjudged entries pay the same entry fee for each round.
14. A three-minute gate call will be given for all classes. If no rider enters the ring when the class is called during the three-minute call, the class will be cancelled. Entry fees will still be assessed for the cancelled class.
